Seaman **Joachim Pease**, United States Navy

Served as seaman on board the U.S.S. *Kearsage* when she destroyed the *Alabama* off Cherbourg, France, 19 June 1864. Acting as loader on the No. 2 gun during this bitter engagement, PEASE exhibited marked coolness and good conduct and was highly recommended by his divisional officer for gallantry under fire.

[Medal of Honor awarded to Joachim Pease.](#)

Landsman **Wilson Brown**, United States Navy

On board the flagship U.S.S. Hartford during successful attacks against Fort Morgan, rebel gunboats and the ram Tennessee in Mobile Bay on 5 August 1864. Knocked unconscious into the hold of the ship when an enemy shellburst fatally wounded a man on the ladder above him, Brown, upon regaining consciousness, promptly returned to the shell whip on the berth deck and zealously continued to perform his duties although 4 of the 6 men at this station had been either killed or wounded by the enemy's terrific fire.
